EndNote Desktop: Downloading from UMIT website

STEP 2: Click on the link at the bottom to download.

Goes directly to the UMIT Software site for EndNote.

The screenshot shows the UMIT Information Technology website. The header is dark green with the UMIAMI logo and 'INFORMATION TECHNOLOGY' text. A search bar is on the right. The navigation menu includes 'About UMIT', 'Services & Products', 'Help & Support', 'Alerts', 'New to UM', and 'A-Z Listing'. The main content area is white and features the 'EndNote' title. Below the title, it lists 'Eligible: Students, Faculty & Staff', 'Availability: 24 Hours, 7 Days', and 'Support: Monday - Friday: 8:00 a.m. - 6:00 p.m.'. The 'ENDNOTE' logo is on the right. The 'Description' section states that EndNote is an online search and bibliographic organization tool. The 'Licensing' section mentions an agreement with Thomson Reuters. The 'Costs' section states there is no cost. The 'Documentation' section lists 'Getting Started Guide' and 'Support Information'. The 'Download Information' section is highlighted with an orange border and contains a link: 'Students, Faculty & Staff: Click here to download EndNote'.

EndNote Desktop: Downloading from UMIT website

You can also find EndNote directly from the UMIT Website, from the Services & Products tab:

<http://it.miami.edu/services-and-products/index.html>
